PRODUCT DESCRIPTION

Tulip Ornament

Crystal Butterfly Ornament

Material: Wooden Plastic Frame

Movement: Power Sweep Movement

Function: moving dial, music timekeeping, music choice, rotating pendulum, LED Light, night time shut-off (light sensor)

Description: The magic motion clock has novel, unique and fashionable appearance with a lot of decorative ornaments such as golden flowers, pink tulips, crystal butterflies and colored diamonds, which enhance the theme of "Flower's World". Accompany with the built-in music, the clock dial dances with the rhythm and presents transformed effects, which gives you a pleasant feeling. It provides 18 music separated into three categories and plays different music each hour.

FUNCTION DESCRIPTION

The clock dial dances with the rhythm and presents transformed effects, which gives you a pleasant feeling. It provides 18 music separated into three categories and plays different music each hour.

- A Chinese Folk Music
- B Christmas Music
- C World Famous Music

GRANDFATHER CLOCK

NINE-DRAGON CLOCK

Nobel, Elegant and Outstanding

MG2398HR-9

1. Material: Ebonylike wood.
2. Movement: German made Kieninger nine tubular movement
3. Function: Westminster, Whittington and St. Michael chime, chimes every quarter and hour, automatic night time shut-off.
4. Description: The Nine-dragon clock is made of rare and precious Ebonylike wood, using traditional woodwork, hand-crafted carving and traditional lacquer finish. In traditional Chinese culture, dragon symbolizes not only power, noble and honor, but a sign of luck and success. Coupling with the German made Kieninger nine tubular movement, it destines a magnificent and outstanding artistic charm. It is a house treasure which has great artistic and collection value.

Plastic Case: 2210x828x424mm
Packing: 1pcs/1.094M³/146.00kg
